

## Meetings, Conferences, and Corporate Events

If you are planning a meeting, conference, or other corporate event it can be a challenge to find a venue which meets all your needs, and doesn't feel like being back in the office. At Fernhill Farm we offer a relaxed alternative venue in beautiful surroundings, with plenty of space for thinking outside the box.

Our 17<sup>th</sup> Century Grade II listed barns have been re-established beyond their former glory, creating a range of interesting and rustic rooms which are perfect for group meetings, - and all run with minimal environmental impact.

We can also offer outside seating arrangements with stunning views of the Mendip countryside.

Accommodation available if required.

The working farm is discreetly set in 160 acres of species rich natural grasslands on the breath taking Mendip Hills, with walks through the fields and woodlands available, and an orchard and gardens with ponds to wander.
